

## **ABOUT THIS SITE**

### **NOTICE:**

The text on this site is written by Dr Fady Rachid (MD) with the intention of providing information about the treatments offered in his private practice.

More specifically, the main goal of this site is to provide the public and healthcare practitioners with medical information in general, and with information on Repetitive Transcranial Magnetic Stimulation (rTMS) for the treatment of depression and other psychiatric disorders.

It is important to note that this site is not a substitute for medical advice or diagnosis and patients should contact their physician if they have any questions about their medical condition or if they need medical help. Any patient interested in pursuing rTMS treatment should consult the physician first to have a full understanding of this treatment.
